## MINIMUM WATER RATE IS REDUCED

Modification of Recent Order of  
Public Service Commission  
Makes Other Changes

CONFORMS WITH PETITION

City Council Gets Just About What  
it Asked For, Including \$1  
a Quarter Minimum

MUST FURNISH METER BOX

City Consumers Will Have to Pay  
for "Location" if They Have  
no Cellar

The Public Service Commission yesterday modified the recent order in the petition of the city for an increase in water rates. Members of the council and Mayor Bebout were again before the commission and succeeded in getting some of the things asked for in the original petition.

One of the important features in the modified ruling is the reducing of the minimum charge per quarter to \$1 from \$1.50. This is the amount asked in the petition. The charge of \$1.50 was given by the commission without any request on the part of the city. This was considered too high, making the consumer pay \$6 a year for water whether he used it or not, but it was only after considerable difficulty that the commission was made to see this and consented to a reduction of \$1 for the minimum.

Under the new ruling the consumers shall furnish a place for the location of the meter. This was the contention of the city all the time. Under this ruling the city will continue to install the meter boxes. Under ordinary conditions the meters are placed in the cellars, but in Rushville 75 per cent of the homes are without cellars. The commission did not know this condition existed when the original order was issued.

The ruling as it now stands gives the city practically everything asked for in the petition. The city officials believe they have succeeded in getting the best ruling possible. The rate is increased from \$1.50 to \$1.85 per thousand cubic feet and a minimum rate per quarter is established. The city officials believe that the new order will prove a direct benefit in the end, although it may cause some hardships at first.

The commission assured the city officials that within a year they would never be willing to go back to the old system.

Under the ruling the city hereafter will not be permitted to charge for meters or require a deposit, except in certain instances where a man's credit is in doubt. The ruling does not state that the city will have to refund the money for the meters already paid in, but it has been suggested that if this practice is considered illegal under the ruling of the commission it was evidently wrong before the ruling was made. This is a matter the city will have to work out in the future. The city will undoubtedly have the money to refund, but will have to hit upon a plan of some kind for paying the money.

The order of the commission goes into effect May 15 and the city will start work at once in order to comply with the order. Something like 200 meters are yet to be installed.

## IS QUICKLY EXTINGUISHED

Fire at Home of Hugh Mauzy is Put  
Out With Chemicals

A fire at the home of Hugh Mauzy corner of Fifth and Morgan streets, last night shortly after six o'clock, threatened for a time to do serious damage, but the timely discovery and quick action on the part of the fire department kept the loss from being great. The fire was confined to a closet under the stairway. There was considerable smoke, but the flames were extinguished with chemicals. Several articles of clothing were damaged. The origin is not known.

## JOHN C. WHITLOCK DIES AT ORANGE

Following Long Period of ill Health  
Pneumonia Develops and Aged  
Man Expires

FUNERAL SET FOR FRIDAY

John C. Whitlock, 81 years old, died last night at eleven o'clock at the home of his daughter, Mrs. John Washburn, near Orange, following a week's illness from pneumonia. He had been in failing health for some time, and one week ago pneumonia developed. Since that time his death had been expected.

Besides Mrs. Washburn he is survived by three other children, Mrs. Laura O'Neal, Mrs. Margaret Poe of this city and Mrs. Pearl Underwood of Greencastle. He is also survived by one brother, Abraham Whitlock of near Carthage. The funeral services will be conducted at the Washburn residence Friday afternoon at one-thirty o'clock and burial will take place in East Hill cemetery.

## TAKE BICYCLES FOR "JOY RIDES"

Boys Are Stealing Wheels For Pleasure  
Jaunts and Police Intend to Stop It

MANY COMPLAINTS ARE MADE

Several complaints have reached the police in the last few weeks of bicycles being stolen from the business section of the city. In almost every case the wheels have been recovered. The work is believed to be that of boys who take the bicycles more for a ride than to commit a theft. The bicycles have been recovered in different parts of the city and there has not been a single case where the wheels were returned to place from which they were taken.

The police are determined to stop this practice and promise to make an example of some one. Only last week a bicycle was taken from a man's front porch and was found the next day at the edge of the city, many blocks from the place where it was taken.

SENT HERE FROM HENRY CO.

The replevin suit of Red Bess against Cora Bess has reached the local circuit court on a change of venue from Henry county. Mrs. Bess has a divorce suit pending against him and the complaint in the replevin suit alleges that she is threatening to sell some of his personal property.

## SHOT IN THE HAND BY HIS BROTHER

Mercer Whiteman of Near Milroy  
Has to Have it Amputated After  
Accident at His Home.

IS IN THE SEXTON HOSPITAL

While Repairing Chandelier, Gun is  
Handed to Him to Reach Affected  
Part and it Explodes.

Mercer Whiteman, 19, living a short distance west of Milroy, was accidentally shot late last evening by his brother, Conde Whiteman, the charge from the shotgun entering his right hand and necessitating amputation at the wrist.

The boys were engaged in repairing a chandelier, while helping with the housecleaning at their home. Mercer was on a chair, but in making the repairs could not reach the part affected. His brother Conde was in the act of handing him the shotgun, which was to be used for a pole, when the shell exploded. His hand was badly lacerated and was hanging to the wrist by threads.

He was rushed to the Sexton hospital here, where the amputation took place. Young Whiteman was resting as well as could be expected today and will recover unless some unforeseen complications develop.

The father, H. G. Whiteman, had used the shotgun only a few days before, killing some crows. He told all of the boys except Conde of the shell being left in the gun.

Conde, in handing the gun to his brother, unintentionally pointed the barrel directly at him and when the explosion occurred the boy's hand was within a few inches of the barrel.

## RUSH COUNTY BOY WINS BIG CONTRACT

A. E. Kemmer, Son of Mr. and Mrs.  
George W. Kemmer, Will  
Build Carroll Co., Court House

HAD MANY LARGE CONTRACTS

A. E. Kemmer, of Lafayette, son of Mr. and Mrs. George W. Kemmer of near Plum Creek, has been awarded the contract to erect a new court house at Delphi, county seat of Carroll county. Mr. Kemmer's bid was \$147,500, which was \$3,000 under any other estimate. A few days ago Mr. Kemmer bid in the old court house at Delphi for \$115.

Mr. Kemmer is one of the most successful contractors in Indiana. He is a graduate of Purdue University and erected the beautiful new Elks' Home at Lafayette, the Tippecanoe Loan and Trust company building, the Purdue library, the Indiana University gymnasium and other large structures. His work has always proved satisfactory. The State Brokerage company of Lafayette is surety for Mr. Kemmer.

SINKS AUSTRIAN BOAT

Rome, May 11.—A French submarine sunk an Austrian transport laden with war materials off the Albanian coast in the lower Adriatic, it was officially announced today. The crew of the transport is believed to have perished.

The Rev. A. Erickson of Carthage will speak tonight at the St. Paul's M. E. church on the subject "The New Financial Plan."

## RUSHVILLE WINS THE LOVING CUP

Commandery From Here Awarded  
Prize in First Zone at Knights  
Templar Conclave

PERCENTAGE IS CLOSE TO 80

No. 49 Competes Against Thirteen  
Other Commanderies—Awards  
Based on Attendance

Members of Rushville Commandery No. 49, Knights Templar, were not grieving any today; neither were they disappointed because news was received between twelve and one o'clock today that they won the silver loving cup for the first zone at the sixty-second conclave of Indiana at Indianapolis yesterday.

Rushville Knights were practically certain when they returned last night that they would carry away the prize in the first zone, but they were not certain until Earl Payne telephoned from Indianapolis that No. 49 had won. The loving cup will be on display in George C. Wyatt & company's store window tomorrow. The awards were not announced until this morning.

The awards were based on the point of attendance, Rushville receiving 79. 14/27. Greenfield was the only commandery Rushville had to fear. Greenfield won last year and was a serious contender this year. Rushville had eighty-one out of a total membership of one hundred and two in line.

Rushville competed against the following: Raper No. 1 of Indianapolis, Baldwin No. 2 of Shelbyville, Knightstown No. 9, Greencastle No. 11, Columbus No. 14, Franklin No. 23, Crawfordsville No. 25, Anderson No. 32, Greenfield No. 39, Lebanon No. 43, Newcastle No. 44, Tipton No. 52 and Martinsville No. 55.

All members of Rushville Commandery marched with the exception of Henry McGuire, Frank J. Hall, Cary Jackson, Theodore Abercrombie, George Young, and Lucien Hamilton, of Indianapolis, who is a member of Rushville Commandery and who furnished the automobile for the above named to ride in. They were counted in awarding the prizes.

Much of the credit for Rushville's victory is due Dr. Frank M. Sparks captain general of No. 49. He worked diligently to arouse interest among the Knights and sold tickets for the special car. He secured the attendance of nearly all members living outside of Rushville.

Dr. Sparks and Dr. J. B. Kinsinger, eminent commander, wish to thank all members of the commandery for their help in making it possible for Rushville to win.

## FUNERAL WILL BE FRIDAY

Mrs. Sarah Owens Dies at Her Home  
Southwest of Milroy

The funeral services of Mrs. Sarah Owens, who died yesterday at her home, five miles, southwest of Milroy, will be conducted Friday morning at ten o'clock at the late residence and burial will take place in the Moscow cemetery. Mrs. Owens was 85 years old and was the widow of the late Joseph Owens. She had been ill for a long time suffering from senility and her death was expected. She is survived by three children, Elmer, Benjamin and Mrs. Alonzo Harecourt, all of Orange township.

Delbert Miles of Raleigh, who recently had typhoid fever and was recovering nicely, has suffered a relapse.

## BEDFORD MAN IS ELECTED

V. V. Williams Chosen Commander  
Indiana Division, G. A. R.

(By United Press.)  
Evansville, Ind., May 11.—Colonel V. V. Williams of Bedford was today unanimously elected department commander of the Indiana division of the G. A. R. The other officers elected are as follows: Senior commander, C. C. Schreeder, Evansville; junior commander, W. A. Kelsay, Fort Wayne, chaplain, N. A. Chamberlain, Lafayette, and medical director, Dr. A. W. Fritsch, Evansville.

## AMERICANS GET WARNING TO LEAVE

Previous Statement From Washington is Reiterated to Those  
Still in Mexico

LESS THAN 3,000 REMAINING

(By United Press.)  
Washington, May 11.—New warning to Americans to leave Mexico has been forwarded to consuls by the state department, it was officially admitted today. This action was taken by calling their attention to orders hitherto given.

Developments which caused the massing of troops along the border were responsible for the reiteration of the warning to get out of Mexico. While officials were inclined to believe General Scott's forenoon conference with General Obregon might be satisfactory, the Mexican insistence upon a time limit for the stay of Americans caused an uneasiness which resulted in the double move. Scott and Obregon met at 10 o'clock at El Paso.

Reports compiled several weeks ago showed there are less than 3,000 Americans remaining in Mexico. This number has been reduced since the census was taken.

## BORDER ASSAULTS ARE ORGANIZED

Federal Investigators Are Convinced  
Other Raids on American  
Side Will be Made.

FIFTY BANDITS IN BLOCKER

(By United Press.)  
Marathon, Texas, May 11.—The bandit raid at Blocker, Texas, had convinced federal investigators along the border today that an organized system of assaults on American border settlements is being carried out. Officials expected further attempts upon small towns within the next few days and laid plans to thwart the raiders.

Fifty raiders swooped down on Blocker, near Eagle Pass, looted the store of the Blocker ranches and made off with a number of horses. There were no fatalities, according to advices reaching the base.

Civilians along the border have banded together for protection since it became known that there are two armed Mexican forces not far from the Big Bend border.

GUARDIAN APPOINTED

John Schattner was appointed guardian for Mrs. Annie Demmer, his mother-in-law, this morning by Judge Sparks. Mrs. Demmer filed a voluntary petition with the court asking that the appointment be made.

## RUSHVILLE IN ON TRACK MEET TOO

Will Send Full Team to Greensburg  
For Annual Meeting of Athletic Association

ORATORICAL SET FOR NIGHT

Effort is Being Made to Get Special  
Train—Must Sell 100  
Tickets

The Rushville high school will send a large delegation to the annual track and field meet and oratorical of the Eastern Indiana High School association Saturday. Attempts are being made to get a special train on the Big Four for the trip.

It is necessary to sell 100 tickets at the regular fare and the railroad company must know by tomorrow morning. A committee from the high school is at work making an effort to secure the guarantee and were meeting with success this afternoon. It was believed that the train would be secured.

Those in charge of the campaign to secure the guarantee were: Lester Caron, Wilbur Cox, Cyril Caron, Catherine Wyatt, Mildred Oneal, Mary Louise Bliss, Edward Meredith Harold Wolcott, Dwight VanOsdel, Lotus Gartin, Elsie Frazee, Lois Reeves, Dorothy Sparks, Conwell Smith and Earl Marlatt. It is planned to have the special leave here about ten o'clock in the morning and returning will leave Greensburg Saturday night following the oratorical contest.

Duane Reed, who won the right Tuesday night to represent the high school in the oratorical, is practicing diligently trying to improve his oration for the keen competition that is expected. The track team is practicing nightly and will have entries in nearly every event. The entry list has been announced as follows:

100-yard dash—Morris Hack, Floyd Keeling, William Weimar, Shelbyville; Alexander and Brown, Rushville; Howard and Doles, Greensburg; Elliot and Hilt, Greenfield.

220-yard dash—William Weimar, William Smith and Morris Hack, Shelbyville; Alexander, Brown and Perkins, Rushville; Howard of Greensburg; Hilt and Strong, Greenfield.

Aviator And Student Are Lost and Three Injured When Aeroplane Threw Propellor

## DEAD ARE CAUGHT UNDER IT

(By United Press.)  
Washington, May 11.—Two men are believed to have drowned and three were injured today when a hydro-plane one of the largest in the country—fell into the Potomac river and was destroyed.

L. Z. Grants, an aviator and Charles A. Good, aviation student, are missing. Mayo Dudley, a Washington newspaper man; L. E. Utter, a machinist, and the pilot of the machine were hurt. Dudley and the pilot are in the hospital.

All of the men but Dudley come from the Glenn Curtis aviation school at Newport News, Virginia. Starting from the Washington navy yard they had flown ten miles down the Potomac when the machine threw a propellor. The aeroplane, flying low, dived. The two men who are missing are thought to have been caught under it.

## WHEN YOU WAKE UP DRINK GLASS OF HOT WATER

Wash the poisons and toxins from system before putting more food into stomach.

Says inside-bathing makes any one look and feel clean, sweet and refreshed.

Wash yourself on the inside before breakfast like you do on the outside. This is vastly more important because the skin pores do not absorb impurities into the blood, causing illness, while the bowel pores do.

For every ounce of food and drink taken into the stomach, nearly an ounce of waste material must be carried out of the body. If this waste material is not eliminated day by day it quickly ferments and generates poisons, gases and toxins which are absorbed or sucked into the blood stream, through the lymph ducts which should suck only nourishment to sustain the body.

A splendid health measure is to drink, before breakfast each day, a glass of real hot water with a teaspoonful of limestone phosphate in it, which is a harmless way to wash these poisons, gases and toxins from the stomach, liver, kidneys and bowels; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

A quarter pound of limestone phosphate costs but very little at the drug store but is sufficient to make anyone an enthusiast on inside-bathing. Men and women who are accustomed to wake up with a dull, aching head or have furred tongue, bad taste, nasty breath, sallow complexion, others who have bilious attacks, acid stomach or constipation are assured of pronounced improvement in both health and appearance shortly.

## Tire Wear is Like Shoe Wear

A heavy man is hard on shoe leather; a heavy car is hard on rubber.

Some people are easier on shoes than others. They have a light, springy step that prolongs wear.

So it is with the Franklin car. Its light weight saves the tires from hard pounding; its flexible, springy construction softens the shocks that the tires must stand.

This is the reason for the national Franklin owners' average of 9630 miles per set of tires. And also why punctures are few and blowouts almost unheard of.

### The Wheat Shortage.

While Rush county farmers are lamenting the apparent failure of the wheat crop, they might take stock of themselves and be thankful that they are not in the same sad plight as farmers in some other states of the union where the crop is less than half. The winter and spring weather was such all over the country that few districts escaped. Quoting from the report of the United States department of agriculture we find:

"The heaviest abandonment occurred, in the important group of winter wheat states extending from Ohio through Indiana to Illinois, where it reached its maximum intensity, and through Wisconsin, Minnesota, Iowa and Missouri, ranging from 18 per cent in Ohio and Iowa to 23 per cent in Illinois. This abandonment was due principally to late seeding and a wet and poorly prepared seed bed, followed by a winter of unusual severity. Sleet and snowstorms in January, followed by severe cold weather, formed an ice sheet that remained in many sections until April, killing much of the wheat growth, and a cold, dry spring over the western part of these states gave little assistance to the plant in overcoming its earlier handicaps.

"The Hessian fly, reported as active in many sections last fall, is not seemingly so much in evidence, although reported from scattered localities particularly in central Oklahoma. Mention is made of the presence of the green bug in central Oklahoma, but the parasites of this insect are present also, and it is hoped will limit the damage it might otherwise do.

"Acreage abandonment in the east central states would have been probably somewhat greater except that weather conditions interfered with the spring field work and hay seeded in winter wheat is showing so favorable a stand that many prefer to accept an unprofitable wheat crop rather than lose the good catch of hay."

This report indicates that the cultivation of wheat is more than the preparatory of the soil, the sowing of the seed and the harvesting of the crop. The successful farmer may have to combat the insects and parasites which prey upon the tender roots and young blades in the same unrelenting manner in which the pests attacking fruit trees are fought. The state agricultural colleges are already giving serious attention to the further cultivation of wheat in order that the farmer may be insured of regular profitable crops.

### Patriotism and Preparedness.

We read much in the press on the subject of national preparedness, and for our country's sake it is well that it is so. No important country ever stood in greater need of it than we stand today.

But while taking up the subject of building warships and raising army reserves, let us not overlook the matter of patriotism in local communities, for it is upon these people the nation must lean to a great extent in time of stress.

Newspaper publicity and the imminence of our being plunged into war is doing much to convert the adult mind to the necessity of an adequate preparation for defense against invasion, but we should go farther than the adult.

We should begin to-day to inject a feeling of patriotism into the hearts of the youth of our local communities, a reverence of and devotion to the flag of our country, and a determination to uphold the dignity and preserve the integrity of the nation at all times and under all conditions.

Since the days of '61 and '65 the patriotism of the American people has been declining day by day, until 1916 finds us a nation of adults with but slight conception of what the flag should mean to us, and with less thought as to the future security of our country.

Patriotism has been left to shift

for itself and has gone down in the waters of commercialism.

In every school and in every home of the country little children should be taught to love and respect the stars and stripes, to look upon them as the symbol of liberty and the champion of right and of the weak and the oppressed.

If the same policy had been pursued in our homes and in our schools and other public places during the past fifty years the nation would not be in its present precarious condition. Patriotism alone would have demanded and secured action by the government and the congress, and the United States today would have been in a state of defense sufficient to guarantee it against aggressive action by any foreign government.

It is useless now to weep over the errors of the past, but we can at least take action to prevent our children facing the same condition of affairs after we have passed away.

## DOCTORS USING AMOLOX WITH GREAT SUCCESS

This remarkable letter, coming from a prominent physician engaged in active practice for over 25 years, proves the merit of this wonderful new Remedy.

I have used Amolox in four different cases with excellent results. All showed marked improvement from the start. Two apparently are cured, the skin being free from scales and redness, and perfectly normal.

I consider Amolox a Remedy of rare merit. I know nothing in the modern text-books that equals it in therapeutic value.

H. R. Hills, M. D., Youngstown, O.  
Pimples on the face, Blackheads, Acne and all minor skin troubles yield quickly to the use of the Amolox Ointment. Sufferers of Eczema, Psoriasis, Tetter, Salt Rheum, and bad chronic cases of skin diseases lasting for years, should use both the Ointment and the Solution to effect a cure. Trial size 50c. Guaranteed and recommended by Hargrove & Mullin.

### NOTICE TO TAXPAYERS

In the Matter of the Petition for the Improvement of the Elmwood and Glenwood Highway on the County Line between Union Township, Rush County, Indiana, and Fairview Township, Rush County, Indiana.

NOTICE TO TAXPAYERS OF UNION TOWNSHIP, RUSH COUNTY, INDIANA, AND FAIRVIEW TOWNSHIP, FAYETTE COUNTY, INDIANA.

Notice is hereby given by the undersigned, Allen R. Holden, Auditor of Rush County, Indiana, and Auditor of Fayette County, Indiana, to the taxpayers of Union Township, Rush County, Indiana, and Fairview Township, Fayette County, Indiana, that the proposed improvement of the above highway is as follows:

That in the above entitled matter, Viewers and the Engineer heretofore appointed have filed in the office of said Auditors their report in said matter, together with the plans, specifications and estimate of the cost of the construction of the same in the sum of \$47,097.80. And that further, such Viewers and Engineer report that said proposed improvement will be a permanent and useful improvement, and that no person, partnership or corporation has filed or presented any written claims or damages to property on account of said proposed construction. Said supplemental reports were filed in the office of each of said Auditors on April 26th, 1916.

That all of said reports are open and on file for the inspection of any person interested. That a more particular description of the road which it is proposed to improve is as follows:

All of that part of said county line highway, the center line of which begins at the northeast corner of Section 4, Township 14 north, Range 11 east in said Union Township, Rush County, Indiana, said beginning point being also the northwest corner of Section 3, Township 14 north, Range 11 east, in Fairview Township, Fayette County, Indiana, and running thence south on the east line of Sections 4, 9, 16, 21 and 28 in said Township 14 north, Range 11 east, to the southeast corner of said Section 28, Township 14 north, Range 11 east, and then said center line of said highway being also the west line of Sections 3, 10, 15, 22 and 27 in said Township 14 north, Range 11 east in Fairview Township in Fayette County, Indiana, the total length of said road being twenty-six thousand, eight hundred, forty-five feet (26,845).

And that said highway be improved by grading, roadbed to a uniform width of 26 feet on top, and providing a bound macadam wearing surface with a uniform width of 16 feet, 12 inches deep in the center and 10 inches in depth at the side, also providing all necessary sewers, drains, culverts and bridges for a satisfactory drainage of the highway.

Notice is also given that said Auditors have agreed between themselves that on

THURSDAY, MAY 25th, 1916,

a joint meeting and session of the Boards of commissioners of said counties of Rush and Fayette shall be held in the Commissioners' room at the Court House in the City of Rushville, Rush County, Indiana, and that all resident taxpayers affected by such improvement and opposed thereto, shall file their remonstrances against said improvement, and that said remonstrances may be filed with the Auditor of said Rush County at any time up until ten o'clock a. m. of said day, and that on said May 25, 1916, at and after said hour said commissioners in said joint session will hear any and all remonstrances filed.

ALLEN R. HOLDEN,  
Auditor Rush County, Indiana  
GLENN ZELL,  
Auditor Fayette County, Indiana.

## MINIMUM WATER RATE IS REDUCED

Continued from Page 1.

and work of getting them in place will progress rapidly now that the city has the proper authority.

The modified order of the commission is as follows:

Comes now the City of Rushville, Indiana, by its Mayor and common council and petitions the Public Service Commission of Indiana to modify the order made and entered in the above entitled cause on the 22d day of April, 1916, as follows to-wit:

To modify the minimum charge from \$1.50 per quarter to \$1 per quarter.

To modify rule 3, page 9, to read as follows:

No. 3.—All manufacturing or other institutions having a fire sprinkling or stand pipe system attached to the distribution system of the municipal water plant shall pay a minimum charge of \$6.25 per quarter for said service."

To modify rule 10, page 10, to read as follows:

"No. 10.—All consumers of water shall furnish a place to locate the meter, which place shall be convenient for reading, testing, repairing and protecting said meter, and which meter shall be set in said place so furnished by said patron free of cost to said consumer."

And to add to said rules an additional rule, to-wit:

"No. 12.—The Rushville City Water and Light plant shall, ten (10) days after the 10th day of each quarter when rents become due, shut off said water for non-payment of such rent, and the same will not again be turned on except upon payment of \$1 to the treasurer of said city."

The commission having heard the parties, and being full advised in the premises, finds that the petitioners' motion to modify the order and add an additional rule should be sustained and approved.

It is therefore ordered by the Public Service Commission of Indiana that the order made and entered by this commission in this proceeding on the 22nd day of April, 1916, be and the same is hereby modified and amended to read as follows:

The minimum charge to be modified to read "\$1 per quarter" instead of "\$1.50 per quarter."

Rule 3 page 9, to be modified to read as follows:

"Rule 3.—All manufacturing or other institutions having a fire sprinkling or stand pipe system attached to the distribution system of the Municipal water plant shall pay a minimum charge of \$6.25 per quarter for said service."

Rule 10, page 10, to be modified to read as follows:

"Rule 10.—All consumers of water shall furnish a place to locate the meter, which place shall be convenient for reading, testing and repairing and protecting said meter, and which meter shall be set in said place so furnished by said patron free of cost to said consumer."

And that rule 12, which is as follows, be added to the rules of page 10:

"Rule 12.—The Rushville City Water and Light plant shall, ten (10) days after the 10th of each quarter when rents become due, shut off said water for non-payment of such rent, and same shall not again be turned on except upon payment of \$1 to the treasurer of said city."

The order is then certified to by J. L. Reiley, secretary of the Public Service Commission.

## KEEP LOOKING YOUNG

It's Easy — If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle.

Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective.

They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

## WOMEN VOTERS WANT ACTION

Threatens War on Democrats Unless

They Come "Across" and Make Good Promises.

MAY START PARTY OF OWN

Claim They Hold Balance of Power

—Delegation Headed Towards Washington.

(By United Press.)

Salt Lake City, May 11.—Women voters of the country here today considered whether the pen, after all, really is mightier than the sword.

Unless the pen shows results shortly they say they are going to declare war with the political sword on the Democratic party. This was the decision contemplated by the conference. They threaten to organize a women's party, which they claim will hold the balance of power in the November election, and fight the democrats—unless the democrats "come across."

Cruelty to that child of the suffragists, the national amendment enfranchising women, is the charge laid by the delegates today against Democrats who have held the amendment in committee and threatened to keep it there.

If the child is not dressed in a new cloak of approval by committeemen and brought before the House for consideration—favorable consideration—this summer, the women say there will be new hands in the Congressional pork barrel after November.

A delegation of women, following the two day meeting here will be sent on to Washington to deliver this message. They will be on a suffrage special with the 23 envoys who just wound up a tour of suffrage states, whipping the women into line.

They will be met at Washington by crowds of supporters. The biggest demonstration yet at the Capitol awaits them, according to press agents.

Both parties have promised strong suffrage planks in their platforms. This doesn't satisfy the delegates. They want real action.

## VEGETABLE CALOMEL

Vegetable calomel, extract of the root of the old-fashioned may-apple plant, does not salivate. As a liver stimulant, it's great. It's a perfect substitute for ordinary calomel (mercury); in fact, it's better, because its action is gentle instead of severe and irritating—and it leaves no mean, disagreeable after-effects. Physicians recognize this and prescribe may-apple root (podophyllin, they call it) daily.

Combined with four other standard, all-vegetable remedies, may-apple root may now be had at most any druggist's in convenient sugar-coated tablet form by asking for Santal Laxatives. If you forget the name, ask for the box that has the picture of the soldier on it.

These tablets are small, easy to take and are really wonderful little performers.

They quickly clean out the poisons that are causing your headache, constipation, sour stomach, biliousness, dizzy spells, bad breath and coated tongue.

They are mild. They never gripe. And they are a bowel tonic as well as a cleanser and liver regulator. A 10c box should last one several weeks. A Physician's trial package (4 doses) will be mailed you free if you write mentioning this advertisement. The Santal Remedies Co., 802 Madison Ave., Covington, Ky.

The Mitchell orchestra of this city will play for a club dance to be given in North Vernon tomorrow evening.

Mr. and Mrs. Simon Martin of Lewisville were the guests yesterday of Mr. and Mrs. Walter Thomas of this city.

### "500" CLUB

Mrs. Lev Wallace was hostess to the members of the "500" Club yesterday evening when the twelve players spent an amiable evening together over the card tables. Light refreshments were served during the course of the games. Pretty honors were awarded Mrs. Lou Weeks and Mrs. Lev Wallace.

### WITH MRS. BALL

Pansies and lilies of the valley were the attractive floral decorations used this afternoon on the dining table when Mrs. Merrill Ball pleasantly entertained the members of the Social Dozen. The service of this delicious luncheon followed a social afternoon enjoyed by the twelve members of the club.

Mrs. Raymond Hargrove attended the Charities and Corrections convention in Indianapolis today as a representative from the Coterie Club and the county board of charities; Mrs. Harry Kramer represented the Monday Circle; and Mrs. D. D. VanOsdel was delegate from the Woman's Home Missionary society of St. Paul's M. E. church.

The monthly meeting of the Loyal Women's Bible class of the Christian church was held last evening in the church parlors, the principal part of the meeting being given over to the business session which was conducted by Mrs. Laura Keisling. Several important business matters were discussed by the fifteen members who were present.

### BIRTHDAY DINNER

The fourth birthday of Robert McIntyre, son of Mr. and Mrs. Robert McIntyre of North Perkins street, was celebrated today at noon when his mother gave a birthday dinner for him. A birthday cake bearing the right number of candles was among the attractive decorations. Mr. and Mrs. Sam Morgan were guests.

### GRAND CLUB

Mrs. Will M. Sparks was hostess to the members of the Grand Club this afternoon at her home in North Main street. The afternoon was spent in playing Bridge, three tables of players participating. Delicious refreshments were served at the conclusion of the card games. Among the players were Mrs. Maud Shields and Mrs. Sarah Henley of Chicago.

### SURPRISE PARTY

Tuesday being the wedding anniversary of Mr. and Mrs. John Stevens of Falmouth, about sixty of their friends arranged a surprise in their honor, which was indeed a surprise. The affair was given in the form of a pitch-in supper, each of the guests bringing their share for the bountiful dinner, which was served in buffet style. Music aided in the pleasure of the informal good time following the repast.

### HAPPY-GO-LUCKY

The guests of Mrs. Austin Frazee had a delightful afternoon together yesterday when she entertained the members of the Happy-Go-Lucky Club at her home in East Seventh street. It was an especially pleasant meeting inasmuch as it was the first one of the season for the club members. The meetings however, are to be resumed for the summer. At the end of a congenial afternoon together, the ladies were invited into the dining room where a tempting two-course luncheon was served.

The Misses Beatrice MacNamara Sylvia Lakin, and Henrietta Schantz were among the guests of the K. of C. dance in Connersville last evening.

### GUESTS FROM EVERTON

The members of the G. G. G. Club of Everton who were the guests of the Sororsis Club of Glenwood Tuesday at the home of Mrs. J. E. Walther, when a delightful open meeting was held, were Mrs. Alma Lake, Mrs. Cliff Lake, Mrs. Clyde Piper, Mrs. Virgil Griffiths, Mrs. Arthur Clark, Mrs. Claire Lake, Mrs. Edward Stewart, Mrs. F. L. Mitchell, Mrs. William Moore, Mrs. Paul Warster, Mrs. Edna Dawson, and Miss Edith Kellum. Honor guests were Mrs. L. K. Tingley of Connersville, chairman of the Fayette county clubs, and Miss Miriam Frye of Falmouth.

### MEN GIVE DINNER

The men of the Social Club proved themselves to be royal hosts last evening when they entertained the members of the Social Club with a dinner dance in the club rooms. There were about fifty guests who were seated at the small tables to partake of the delicious two-course dinner served by several of the hosts attired in full dress. The usual informal dancing series followed. The out-of-town guests included Miss Hester Porter, of Shelbyville, Miss Helene Whitesides of Franklin, Mrs. Maud Shields, Mrs. Sarah Henley, Miss Gladys Henley, of Chicago, William Henley of Indianapolis, Noble Richie of Franklin, and Parrish Fuller of Shelbyville.

### ALL DAY MEETING

An all day meeting and a very pleasant one, of the Lookout Society of the New Salem church was held yesterday at the home of Mrs. Jesse Winkler in North Morgan street. The ladies brought their dinners and enjoyed a sumptuous meal at high noon. The regular meeting of the society occupied the afternoon hours when the following program was carried out.

Song.  
Prayer—Mrs. John Mock.  
Scripture reading—Mrs. Hargott.  
Business session.  
Duet—Mrs. Herbert Holden and Mrs. Sadie Hildreth.

Reading—Miss Muri Stacey.  
In the two clever contests which were held, Mrs. Gerrin proved to be the winner. Following the program, refreshments of ice-cream, cake and coffee were served by the hostess.

The June meeting will be held with Mrs. Hargott at her home in New Salem.

### MISSIONARY MEETING

The Missionary society of the Methodist church of Glenwood met yesterday afternoon with Mrs. Jessie Holmes who, was assisted by Mrs. E. F. Wilson and Mrs. Sarah Holmes. Blooming flowers were used to brighten the rooms where the ladies met for the profitable afternoon together. After the regular devotions and short song service a quartette was sung by Mrs. Elsie Ruff, Mrs. Ethel Fielding, Miss Sadie Scholl, and Mrs. Charles Hollins. Several appropriate readings were given and talks were given and papers read by Mrs. Erma Brooks, Mrs. Ethel Fielding, Miss Effie Matney, Mrs. Mattie Dent, Mrs. Sarah Holmes and Mrs. Charles Hollins. Thirty-five were in attendance, six of whom were invited guests. Delicious refreshments were served by the hostesses at the conclusion of the excellent program. The June meeting of the society will be held with Mrs. Batie Fielding.

MEANEST MAN IN ENGLAND IS DEAD

Lord Clanricarde's Death is of Particular Interest to the Irish in America

WAS OF OLD LANDLORD TYPE

Always Maintained The Idea That Human Rights Were for the Rich—Inherited the Land

(By United Press.) London May 11.—Lord Clanricarde is dead. Lord Clanricarde! The man the British people called "the Meanest Man in England."

What the London papers did to his memory, even before he was buried, was sufficient.

"The Meanest Man in England!" For half a century he held that distinction.

Today, in glaring columns among the war news, the London papers told the story of Lord Clanricarde's life. It is a story particularly for Irish folks in America.

It was men like Clanricarde who drove the Irish to America. He was the meanest Irish landlord.

Clanricarde's grandfather was Canning, British prime minister in 1827. His uncle was the first viceroy of India.

When he was young Clanricarde got the idea that God made a few fine and cultured people to be human beings and that everybody who wasn't rich, fine and cultured wasn't human. Human rights as he knew them, were the rights of the rich.

Canadian soldiers in Hyde park, not knowing their London, have looked with wonder and pity on a little weakened up old man, in ragged, fifty-year-old clothes who used to sit on the public seats—the private seats cost two cents—a hard, cold look in his eyes.

This was Lord Clanricarde, owner of twenty square miles of land in Ireland, with Irish peasants paying him \$150,000 a year. This was Lord Clanricarde, once the swiftest top in London, victim of the idea that God made him to be a specially fine human being, with special rights.

In 1874 he fell heir to the castle at Portumna, one of the finest houses in Ireland, and the estate of 60,000 acres. He thought he had fallen heir to the lives and souls of his tenants too.

He paid one visit to the estate in 1874. He never returned. His tenants had demanded certain improvements and rights.

He sent agents. More than one of them was killed. There isn't an acre of the land that hasn't its tragedy. Homes were broken up by poverty because of Lord Clanricarde's high rents. He demanded a large share of everything the tenants grew; he would not spend money for improving their pitiful homes.

Blood was shed time and again while he was in London, pottering around with antiques.

Irish landlords changed and became human; Lord Clanricarde, never.

The government refused his police aid in evicting tenants; he hired agents to do the evicting.

Decent people began to leave him alone. Of all the money he took in from his tenants he is never known to have spent a cent for improvements. He stood pat on the idea that human rights were the rights of the rich.

The splendid castle fell into ruins. Other Irish landlords began to sell their land to the government, to be distributed among the Irish peasants. Clanricarde would not sell.

A special bill was introduced into the house of lords, expropriating his estates. Though he was a lord and was entitled to sit in the house of lords and help in the government of his country, Lord Clanricarde never appeared until the chances of losing his land arose.

One day a shabby, bent, hard-faced little old man appeared at the door of the house of lords, but when he attempted to enter the policeman stopped him. It was Lord Clanricarde.

He protested in a piping voice. He talked of property rights. Property

rights. Property had its duties as well as its rights, said someone. Then he walked out of the place.

He became a solitary miser. He spent money for antiquities only. His cheap rooms were filled with rare articles, littered about, carelessly. No fire burned in his grate.

Antiquity dealers and the lawyers he hired to try to prevent the government from taking his land were the only human beings he knew.

Last year, the government won. Today the Lord Clanricarde estate is being divided for sale to small holders.

Lord Clanricarde was paid a million and a half dollars by the government and the day after his death, while he rested in his rich mahogany casket, he got a million and a half dollars worth of the bitterest advertisement that was ever given a human being.

An exchange will be given by the Willing Worker class of the First Baptist church on Saturday morning, May 13, in the primary classroom of the church. 51t1

## WOULD PREVENT ECONOMIC LOSS

Health Insurance is Urged by Dr. I. M. Rubinow Before Charities Conference.

### PRIVATE CHARITY SCORES

Boston Woman Urges Closest State Regulation of all Charitable Agencies.

Indianapolis, Ind., May 11.—Forty per cent. of illness among wage workers remains without medical aid, Dr. I. M. Rubinow, of the American Medical Association declared today in urging before the National Charities and Corrections Conference that compulsory health insurance be adopted in the United States. He estimated that 10,000,000 cases of illness a year among the nation's workmen of which two and a half million lasted four weeks or more, caused serious economic loss.

"From the point of view of the preservation of the family as a social unit," Dr. Rubinow asserted "the inclusion of the dependent members of the family into such a system of organized medical aid is of very great importance. Social health insurance will only be worthy of the name if the benefit of organized medical aid will be conferred not only upon the wage worker, but also his wife and children who are even in greater need of it than he."

"Private charity is a public trust," declared Miss Amy F. Action, chief inspector of Boston's Incorporated Charities. She urged closest state regulation of all charitable agencies. Along the same line was an address by Charles M. Hubbard, secretary of the St. Louis Provident Association, who pleaded for standardization of all social agencies.

Frank J. Bruno, secretary of the Minneapolis Associated Charities asserted valuable records of charitable agencies were being overlooked that valuable records of charitable in pressure of administrative work, and he urged more care in their preservation and compilation. Dr. Carol Aronovici, director of the Philadelphia Bureau for Social Research, seconded the plea. "Such records," he said, "hold for use vast stores of information, which, when analyzed, should point the way toward a more constructive point of view of our social tasks and clearer understanding of the larger problems which are clamoring for solution."

Mrs. Elizabeth D. Telton chairman of the Poster Campaign Against Alcohol, in Boston had an interesting array of posters used in her "fight against booze." The thing that makes men stop drinking, she held, was education and forms of prohibition which makes liquor harder to get. Drink, the speaker said, was responsible for 25 per cent of our poverty, 31 to 50 per cent of crime, 42 per cent of broken homes, 45 per cent of deserted and neglected children and "untold loads of immorality, degeneracy and disease." Dr. Haven Emerson, Commissioner of Health, New York, followed Mrs. Tilton's plea with an explanation of the use of the police power to curb the Demon Rum.

"If a flagon of alcohol were offered to a student of pharmacology to test as a curiosity," he declared, "and he applied the standard methods of physiological experiment to it, he could not but come to the conclusion that he was dealing with a more dangerous chemical than any now available in the whole range of materia medica, not second to opium or its derivatives as a destroyer of tissue."

## MINERS RECEIVE BONUS

\$125,000 is Disputed Among 4,000  
For Work in April

(By United Press.)

Wallace, Idaho, May 11.—Nearly \$125,000 in gold was received here today to be distributed among 4000 miners in the Couer d'Alene district as a bonus for their work during the month of April. The bonus for each miner amounts to about \$1 a day. The bonus system, adopted by the

mine operators February 1, is governed by the prices of the metals produced—mostly gold, copper and silver. For March the miners received 75 cents a day bonus.

Merchants throughout the mining district report that business has practically doubled since the inauguration of the bonus system.

## MINIMUM WATER RATE IS REDUCED

Modification of Recent Order of  
Public Service Commission  
Makes Other Changes

CONFORMS WITH PETITION

City Council Gets Just About What  
it Asked For, Including \$1  
a Quarter Minimum

MUST FURNISH METER BOX

City Consumers Will Have to Pay  
for "Location" if They Have  
no Cellar

The Public Service Commission yesterday modified the recent order in the petition of the city for an increase in water rates. Members of the council and Mayor Behoult were again before the commission and succeeded in getting some of the things asked for in the original petition.

One of the important features in the modified ruling is the reducing of the minimum charge per quarter to \$1 from \$1.50. This is the amount asked in the petition. The charge of \$1.50 was given by the commission without any request on the part of the city. This was considered too high, making the consumer pay \$6 a year for water whether he used it or not, but it was only after considerable difficulty that the commission was made to see this and consented to a reduction of \$1 for the minimum.

Under the new ruling the consumers shall furnish a place for the location of the meter. This was the contention of the city all the time. Under this ruling the city will continue to install the meter boxes. Under ordinary conditions the meters are placed in the cellars, but in Rushville 75 per cent of the homes are without cellars. The commission did not know this condition existed when the original order was issued.

The ruling as it now stands gives the city practically everything asked for in the petition. The city officials believe they have succeeded in getting the best ruling possible. The rate is increased from \$1.50 to \$1.85 per thousand cubic feet and a minimum rate per quarter is established. The city officials believe that the new order will prove a direct benefit in the end, although it may cause some hardships at first. The commission assured the city officials that within a year they would never be willing to go back to the old system.

Under the ruling the city hereafter will not be permitted to charge for meters or require a deposit, except in certain instances where a man's credit is in doubt. The ruling does not state that the city will have to refund the money for the meters already paid in, but it has been suggested that if this practice is considered illegal under the ruling of the commission it was evidently wrong before the ruling was made. This is a matter the city will have to work out in the future. The city will undoubtedly have the money to refund, but will have to hit upon a plan of some kind for paying the money.

The order of the commission goes into effect May 15 and the city will start work at once in order to comply with the order. Something like 200 meters are yet to be installed.

Fire at Home of Hugh Mauzy is Put  
Out With Chemicals

A fire at the home of Hugh Mauzy corner of Fifth and Morgan streets, last night shortly after six o'clock, threatened for a time to do serious damage, but the timely discovery and quick action on the part of the fire department kept the loss from being great. The fire was confined to a closet under the stairway. There was considerable smoke, but the flames were extinguished with chemicals. Several articles of clothing were damaged. The origin is not known.

## JOHN C. WHITLOCK DIES AT ORANGE

Following Long Period of ill Health  
Pneumonia Develops and Aged  
Man Expires

FUNERAL SET FOR FRIDAY

John C. Whitlock, 81 years old, died last night, at eleven o'clock at the home of his daughter, Mrs. John Washburn, near Orange, following a week's illness from pneumonia. He had been in failing health for some time, and one week ago pneumonia developed. Since that time his death had been expected. Besides Mrs. Washburn he is survived by three other children, Mrs. Laura O'Neal, Mrs. Margaret Poe of this city and Mrs. Pearl Underwood of Greencastle. He is also survived by one brother, Abraham Whitlock of near Carthage. The funeral services will be conducted at the Washburn residence Friday afternoon at one-thirty o'clock and burial will take place in East Hill cemetery.

## TAKE BICYCLES FOR "JOY RIDES"

Boys Are Stealing Wheels For Pleasure Jaunts and Police Intend to Stop It

MANY COMPLAINTS ARE MADE

Several complaints have reached the police in the last few weeks of bicycles being stolen from the business section of the city. In almost every case the wheels have been recovered. The work is believed to be that of boys who take the bicycles more for a ride than to commit a theft. The bicycles have been recovered in different parts of the city and there has not been a single case where the wheels were returned to place from which they were taken.

The police are determined to stop this practice and promise to make an example of some one. Only last week a bicycle was taken from a man's front porch and was found the next day at the edge of the city; many blocks from the place where it was taken.

## SHOT IN THE HAND BY HIS BROTHER

Mercer Whiteman of Near Milroy  
Has to Have it Amputated After  
Accident at His Home.

IS IN THE SEXTON HOSPITAL

While Repairing Chandelier, Gun is  
Handed to Him to Reach Affected  
Part and it Explodes.

Mercer Whiteman, 19, living a short distance west of Milroy, was accidentally shot late last evening by his brother, Conde Whiteman, the charge from the shotgun entering his right hand and necessitating amputation at the wrist.

The boys were engaged in repairing a chandelier, while helping with the housecleaning at their home. Mercer was on a chair, but in making the repairs could not reach the part affected. His brother Conde was in the act of handing him the shotgun, which was to be used for a pole, when the shell exploded. His hand was badly lacerated and was hanging to the wrist by threads.

He was rushed to the Sexton hospital here, where the amputation took place. Young Whiteman was resting as well as could be expected today and will recover unless some unforeseen complications develop.

The father, H. G. Whiteman, had used the shotgun only a few days before, killing some crows. He told all of the boys except Conde of the shell being left in the gun.

Conde, in handing the gun to his brother, unintentionally pointed the barrel directly at him and when the explosion occurred the boy's hand was within a few inches of the barrel.

## RUSH COUNTY BOY WINS BIG CONTRACT

A. E. Kemmer, Son of Mr. and Mrs.  
George W. Kemmer, Will  
Build Carroll Co., Court House

HAD MANY LARGE CONTRACTS

A. E. Kemmer, of Lafayette, son of Mr. and Mrs. George W. Kemmer of near Plum Creek, has been awarded the contract to erect a new court house at Delphi, county seat of Carroll county. Mr. Kemmer's bid was \$147,500, which was \$3,000 under any other estimate. A few days ago Mr. Kemmer bid in the old court house at Delphi for \$115.

Mr. Kemmer is one of the most successful contractors in Indiana. He is a graduate of Purdue University and erected the beautiful new Elks' Home at Lafayette, the Tippecanoe Loan and Trust company building, the Purdue library, the Indiana University gymnasium and other large structures. His work has always proved satisfactory. The State Brokerage company of Lafayette is surety for Mr. Kemmer.

## RUSHVILLE WINS THE LOVING CUP

Commandery From Here Awarded  
Prize in First Zone at Knights  
Templar Conclave

PERCENTAGE IS CLOSE TO 80

No. 49 Competes Against Thirteen  
Other Commanderies—Awards  
Based on Attendance

Members of Rushville Commandery No. 49, Knights Templar, were not grieving any today; neither were they disappointed because news was received between twelve and one o'clock today that they won the silver loving cup for the first zone at the sixty-second conclave of Indiana at Indianapolis yesterday.

Rushville Knights were practically certain when they returned last night that they would carry away the prize in the first zone, but they were not certain until Earl Payne telephoned from Indianapolis that No. 49 had won. The loving cup will be on display in George C. Wyatt & company's store window tomorrow. The awards were not announced until this morning.

The awards were based on the point of attendance, Rushville receiving 79. 14/27. Greenfield was the only commandery Rushville had to fear. Greenfield won last year and was a serious contender this year. Rushville had eighty-one out of a total membership of one hundred and two in line.

Rushville competed against the following: Raper No. 1 of Indianapolis, Baldwin No. 2 of Shelbyville, Knightstown No. 9, Greencastle No. 11, Columbus No. 14, Franklin No. 23, Crawfordsville No. 25, Anderson No. 32, Greenfield No. 39, Lebanon No. 48, Newcastle No. 44, Tipton No. 52 and Martinsville No. 55.

All members of Rushville Commandery marched with the exception of Henry McGuire, Frank J. Hall, Cary Jackson, Theodore Abercrombie, George Young, and Lucian Hamilton, of Indianapolis, who is a member of Rushville Commandery and who furnished the automobile for the above named to ride in. They were counted in awarding the prizes.

Much of the credit for Rushville's victory is due Dr. Frank M. Sparks captain general of No. 49. He worked diligently to arouse interest among the Knights and sold tickets for the special car. He secured the attendance of nearly all members living outside of Rushville.

Dr. Sparks and Dr. J. B. Kinsinger, eminent commander, wish to thank all members of the commandery for their help in making it possible for Rushville to win.

## FUNERAL WILL BE FRIDAY

Mrs. Sarah Owens Dies at Her Home  
Southwest of Milroy

The funeral services of Mrs. Sarah Owens, who died yesterday at her home, five miles, southwest of Milroy, will be conducted Friday morning at ten o'clock at the late residence and burial will take place in the Moscow cemetery. Mrs. Owens was 85 years old and was the widow of the late Joseph Owens. She had been ill for a long time suffering from senility and her death was expected. She is survived by three children, Elmer, Benjamin and Mrs. Alonzo Harcourt, all of Orange township.

Delbert Miles of Raleigh, who recently had typhoid fever and was recovering nicely, has suffered a relapse.

Chamberlain, Lafayette, and medical director, Dr. A. W. Fritsch, Evansville.

## AMERICANS GET WARNING TO LEAVE

Previous Statement From Washington is Reiterated to Those  
Still in Mexico

LESS THAN 3,000 REMAINING

(By United Press.)  
Washington, May 11.—New warning to Americans to leave Mexico has been forwarded to consuls by the state department, it was officially admitted today. This action was taken by calling their attention to orders hitherto given.

Developments which caused the massing of troops along the border were responsible for the reiteration of the warning to get out of Mexico. While officials were inclined to believe General Scott's forenoon conference with General Obregon might be satisfactory, the Mexican insistence upon a time limit for the stay of Americans caused an uneasiness which resulted in the double move. Scott and Obregon met at 10 o'clock at El Paso.

Reports compiled several weeks ago showed there are less than 3,000 Americans remaining in Mexico. This number has been reduced since the census was taken.

## BORDER ASSAULTS ARE ORGANIZED

Federal Investigators Are Convinced  
Other Raids on American  
Side Will be Made.

FIFTY BANDITS IN BLOCKER

(By United Press.)  
Marathon, Texas, May 11.—The bandit raid at Blocker, Texas, had convinced federal investigators along the border today that an organized system of assaults on American border settlements is being carried out. Officials expected further attempts upon small towns within the next few days and laid plans to thwart the raiders.

Fifty raiders swooped down on Blocker, near Eagle Pass, looted the store of the Blocker ranches and made off with a number of horses. There were no fatalities, according to advices reaching the base.

Civilians along the border have banded together for protection since it became known that there are two armed Mexican forces not far from the Big Bend border.

GUARDIAN APPOINTED

John Schattner was appointed guardian for Mrs. Annie Demmer, his mother-in-law, this morning by Judge Sparks. Mrs. Demmer filed a voluntary petition with the court asking that the appointment be made.

## RUSHVILLE IN ON TRACK MEET TOO

Will Send Full Team to Greensburg  
For Annual Meeting of Athletic Association

ORATORICAL SET FOR NIGHT

Effort is Being Made to Get Special  
Train—Must Sell 100  
Tickets

The Rushville high school will send a large delegation to the annual track and field meet and oratorical of the Eastern Indiana High School association Saturday. Attempts are being made to get a special train on the Big Four for the trip.

It is necessary to sell 100 tickets at the regular fare and the railroad company must know by tomorrow morning. A committee from the high school is at work making an effort to secure the guarantee and were meeting with success this afternoon. It was believed that the train would be secured.

Those in charge of the campaign to secure the guarantee were: Lester Caron, Wilbur Cox, Cyril Caron, Catherine Wyatt, Mildred Oneal, Mary Louise Bliss, Edward Meredith Harold Wolcott, Dwight VanOsdol, Lotus Gartin, Elsie Frazee, Lois Reeves, Dorothy Sparks, Conwell Smith and Earl Marlett. It is planned to have the special leave here about ten o'clock in the morning and returning will leave Greensburg Saturday night following the oratorical contest.

Duane Reed, who won the right Tuesday night to represent the high school in the oratorical, is practicing diligently trying to improve his oration for the keen competition that is expected. The track team is practicing nightly and will have entries in nearly every event. The entry list has been announced as follows:

100-yard dash—Morris Hack, Floyd Keeling, William Weimar, Shelbyville; Alexander and Brown, Rushville; Howard and Dols, Greensburg; Elliot and Hilt, Greenfield.

220-yard dash—William Weimar, William Smith and Morris Hack, Shelbyville; Alexander, Brown and Perkins, Rushville; Howard of Greensburg; Hilt and Strong, Greenfield.

### TWO DIE AS PLANE DIVES IN POTOMAC

Aviator And Student Are Lost and Three Injured When Aeroplane Threw Propellor

DEAD ARE CAUGHT UNDER IT

(Special Police Staff)  
 Washington, May 11.—Two men are believed to have drowned and three were injured today when a hydro-plane one of the largest in the country—fell into the Potomac river and was destroyed.

L. Z. Grants, an aviator and Charles A. Good, aviation student, are missing. Mayo Dudley, a Washington newspaper man; L. E. Utter, a machinist, and the pilot of the machine were hurt. Dudley and the pilot are in the hospital.

All of the men but Dudley came from the Glenn Curtis aviation school at Newport News, Virginia. Starting from the Washington navy yard they had flown ten miles down the Potomac when the machine threw a propellor. The aeroplane, flying low, dived. The two men who are missing are thought to have been caught under it.

## WHEN YOU WAKE UP DRINK GLASS OF HOT WATER

Wash the poisons and toxins from  
system before putting more  
food into stomach.

Says inside-bathing makes any-  
one look and feel clean,  
sweet and refreshed.

Wash yourself on the inside before  
breakfast like you do on the outside.  
This is vastly more important because  
the skin pores do not absorb impuri-  
ties into the blood, causing illness,  
while the bowel pores do.

For every ounce of food and drink  
taken into the stomach, nearly an  
ounce of waste material must be  
carried out of the body. If this waste  
material is not eliminated day by day  
it quickly ferments and generates  
poisons, gases and toxins which are  
absorbed or sucked into the blood  
stream, through the lymph ducts which  
should suck only nourishment to sus-  
tain the body.

A splendid health measure is to  
drink, before breakfast each day, a  
glass of real hot water with a tea-  
spoonful of limestone phosphate in it,  
which is a harmless way to wash  
these poisons, gases and toxins from  
the stomach, liver, kidneys and  
bowels; thus cleansing, sweetening  
and freshening the entire alimentary  
canal before putting more food into  
the stomach.

A quarter pound of limestone phos-  
phate costs but very little at the drug  
store but is sufficient to make anyone  
an enthusiast on inside-bathing. Men  
and women who are accustomed to  
wake up with a dull, aching head or  
have furred tongue, bad taste, nasty  
breath, sallow complexion, others who  
have bilious attacks, acid stomach or  
constipation are assured of pro-  
nounced improvement in both health  
and appearance shortly.

## Tire Wear is Like Shoe Wear

A heavy man is hard on shoe  
leather; a heavy car is hard on  
rubber.

Some people are easier on  
shoes than others. They have a  
light, springy step that prolongs  
wear.

So it is with the Franklin car.  
Its light weight saves the tires  
from hard pounding; its flexible,  
springy construction softens the  
shocks that the tires must stand.

This is the reason for the  
national Franklin owners' aver-  
age of 9630 miles per set of  
tires. And also why punctures  
are few and blowouts almost un-  
heard of.

### The Wheat Shortage.

While Rush county farmers are  
lamenting the apparent failure of the  
wheat crop, they might take stock  
of themselves and be thankful that  
they are not in the same sad plight  
as farmers in some other states of  
the union where the crop is less than  
half. The winter and spring weather  
was such all over the country that  
few districts escaped. Quoting  
from the report of the United States  
department of agriculture we find:

"The heaviest abandonment oc-  
curred, in the important group of  
winter wheat states extending from  
Ohio through Indiana to Illinois,  
where it reached its maximum inten-  
sity, and through Wisconsin, Minne-  
sota, Iowa and Missouri, ranging  
from 18 per cent in Ohio and Iowa  
to 23 per cent in Illinois. This aban-  
donment was due principally to late  
seeding and a wet and poorly pre-  
pared seed bed, followed by a win-  
ter of unusual severity. Sleet and  
snowstorms in January, followed by  
severe cold weather, formed an ice  
sheet that remained in many sec-  
tions until April, killing much of the  
wheat growth, and a cold, dry spring  
over the western part of these states  
gave little assistance to the plant in  
overcoming its earlier handicaps.

"The Hessian fly, reported as ac-  
tive in many sections last fall, is not  
seemingly so much in evidence, al-  
though reported from scattered lo-  
calities particularly in central Okla-  
homa. Mention is made of the pres-  
ence of the green bug in central  
Oklahoma, but the parasites of this  
insect are present also, and it is  
hoped will limit the damage it might  
otherwise do.

"Acreage abandonment in the east  
central states would have been  
probably somewhat greater except  
that weather conditions interfered  
with the spring field work and hay  
seeded in winter wheat is showing so  
favorable a stand that many prefer  
to accept an unprofitable wheat crop  
rather than lose the good catch of  
hay."

This report indicates that the cul-  
tivation of wheat is more than the  
preparatory of the soil, the sowing  
of the seed and the harvesting of  
the crop. The successful farmer  
may have to combat the insects and  
parasites which prey upon the ten-  
der roots and young blades in the  
same unrelenting manner in which  
the pests attacking fruit trees are  
fought. The state agricultural col-  
leges are already giving serious at-  
tention to the further cultivation of  
wheat in order that the farmer may  
be insured of regular profitable  
crops.

### Patriotism and Preparedness.

We read much in the press on the  
subject of national preparedness,  
and for our country's sake it is well  
that it is so. No important country  
ever stood in greater need of it than  
we stand today.

But while taking up the subject of  
building warships and raising army  
reserves, let us not overlook the  
matter of patriotism in local com-  
munities, for it is upon these peo-  
ple the nation must lean to a great  
extent in time of stress.

Newspaper publicity and the im-  
minence of our being plunged into  
war is doing much to convert the  
adult mind to the necessity of an  
adequate preparation for defense  
against invasion, but we should go  
farther than the adult.

We should begin to-day to inject  
a feeling of patriotism into the  
hearts of the youth of our local  
communities, a reverence of and de-  
votion to the flag of our country,  
and a determination to uphold the  
dignity and preserve the integrity of  
the nation at all times and under  
all conditions.

Since the days of '61 and '65 the  
patriotism of the American people  
has been declining day by day, until  
1916 finds us a nation of adults  
with but slight conception of what  
the flag should mean to us, and with  
less thought as to the future secur-  
ity of our country.

Patriotism has been left to shift

for itself and has gone down in the  
waters of commercialism.

In every school and in every home  
of the country little children should  
be taught to love and respect the  
stars and stripes, to look upon them  
as the symbol of liberty and the  
champion of right and of the weak  
and the oppressed.

If the same policy had been pur-  
sued in our homes and in our  
schools and other public places dur-  
ing the past fifty years the nation  
would not be in its present precari-  
ous condition. Patriotism alone  
would have demanded and secured  
action by the government and the  
congress, and the United States to-  
day would have been in a state of  
defense sufficient to guarantee it  
against aggressive action by any  
foreign government.

It is useless now to weep over the  
errors of the past, but we can at  
least take action to prevent our  
children facing the same condition  
of affairs after we have passed  
away.

## DOCTORS USING AMOLOX WITH GREAT SUCCESS

This remarkable letter, coming  
from a prominent physician engaged  
in active practice for over 25 years,  
proves the merit of this wonderful  
new Remedy.

I have used Amolox in four dif-  
ferent cases with excellent results.  
All showed marked improvement  
from the start. Two apparently are  
cured, the skin being free from  
scales and redness, and perfectly  
normal.

I consider Amolox a Remedy of  
rare merit. I know nothing in the  
modern text-books that equals it in  
therapeutic value.

H. R. Hills, M. D., Youngstown, O.  
Pimples on the face, Blackheads,  
Acne and all minor skin troubles  
yield quickly to the use of the Am-  
olox Ointment. Sufferers of Eczema,  
Psoriasis, Tetter, Salt Rheum, and  
bad chronic cases of skin diseases  
lasting for years, should use both the  
Ointment and the Solution to effect  
a cure. Trial size 50c. Guaranteed  
and recommended by Hargrove &  
Mullin.

presented any written claims or damages to  
property on account of said proposed construction  
of said road, and that all resident taxpayers  
in the office of each of said Auditors on April 28th,  
1916.

That all of said reports are open and on file  
for the inspection of any person interested  
therein, and that a more particular description of the road  
which it is proposed to improve is as follows:  
All of that part of said county line highway,  
the center line of which begins at the northeast  
corner of Section 4, Township 14 north, Range  
21 east in said Union Township, Rush County,  
Indiana, said beginning point being also the  
northwest corner of Section 2, Township 14  
north, Range 21 east, in Fairview Township,  
Fayette County, Indiana, and running thence  
south on the east line of Sections 4, 9, 16, 21  
and 28 in said Township 14 north, Range 21  
east, to the southeast corner of said Section  
28, Township 14 north, Range 21 east; and the  
said center line of said highway being also the  
west line of Sections 3, 10, 15, 22 and 27 in  
said Township 14 north, Range 21 east in Fair-  
view Township in Fayette County, Indiana; the  
total length of said road being twenty-six  
hundred and eighty-five feet (2,685 ft.).  
And that the said highway reports were by  
road graded to a uniform width of 26 feet on  
top, and providing a bound macadam wearing  
surface with a uniform width of 16 feet. 12  
inches deep in the center, and 10 inches in depth  
of the side, also providing all necessary new  
drain tiles, culverts and bridges for a satisfac-  
tory drainage of the highway.

Notice is also given that said Auditors have  
agreed between themselves that on  
THURSDAY, MAY 25th, 1916,  
a joint meeting and session of the Boards of  
commissioners of said counties of Rush and Fay-  
ette shall be held in the Commissioners' room at  
the Court House in the City of Rushville, Rush  
County, Indiana, and that all resident taxpayers  
affected by such improvement and opposed there-  
to, shall file their remonstrances against said  
improvement, that said remonstrances may be  
filed with the said Auditor of said county at any  
time up until ten o'clock a. m. of said day,  
and that on said May 25, 1916,  
At and after said hour said commissioners in  
said joint session will hear any and all remon-  
strances filed.

ALLEN R. HOLDEN,  
Auditor Rush County, Indiana.  
GLEN ZELL,  
Auditor Fayette County, Indiana.

Continued from Page 1.

and work of getting them in place will progress rapidly now that the city has the proper authority.

The modified order of the commission is as follows:

Comes now the City of Rushville, Indiana, by its Mayor and common council and petitions the Public Service Commission of Indiana to modify the order made and entered in the above entitled cause on the 22nd day of April, 1916, as follows to-wit:

To modify the minimum charge from \$1.50 per quarter to \$1 per quarter.

To modify rule 3, page 9, to read as follows:

No. 3.—All manufacturing or other institutions having a fire sprinkling or stand pipe system attached to the distribution system of the municipal water plant shall pay a minimum charge of \$6.25 per quarter for said service."

To modify rule 10, page 10, to read as follows:

"No. 10.—All consumers of water shall furnish a place to locate the meter, which place shall be convenient for reading, testing, repairing and protecting said meter, and which meter shall be set in said place so furnished by said patron free of cost to said consumer."

And to add to said rules an additional rule, to-wit:

"No. 12.—The Rushville City Water and Light plant shall, ten (10) days after the 10th day of each quarter when rents become due, shut off said water for non-payment of such rent, and the same will not again be turned on except upon payment of \$1 to the treasurer of said city."

The commission having heard the parties, and being full advised in the premises, finds that the petitioners' motion to modify the order and add an additional rule should be sustained and approved.

It is therefore ordered by the Public Service Commission of Indiana that the order made and entered by this commission in this proceeding on the 22nd day of April, 1916, be and the same is hereby modified and amended to read as follows:

The minimum charge to be modified to read "\$1 per quarter" instead of "\$1.50 per quarter."

Rule 3 page 9, to be modified to read as follows:

"Rule 3.—All manufacturing or other institutions having a fire sprinkling or stand pipe system attached to the distribution system of the Municipal water plant shall pay a minimum charge of \$6.25 per quarter for said service."

Rule 10, page 10, to be modified to read as follows:

"Rule 10.—All consumers of water shall furnish a place to locate the meter, which place shall be convenient for reading, testing and repairing and protecting said meter, and which meter shall be set in said place so furnished by said patron free of cost to said consumer."

And that rule 12, which is as follows, be added to the rules of page 10:

"Rule 12.—The Rushville City Water and Light plant shall, ten (10) days after the 10th of each quarter when rents become due, shut off said water for non-payment of such rent, and same shall not again be turned on except upon payment of \$1 to the treasurer of said city."

The order is then certified to by J. L. Reiley, secretary of the Public Service Commission.

## KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle.

Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective.

They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

## WOMEN VOTERS WANT ACTION

Threatens War on Democrats Unless

They Come "Across" and Make Good Promises.

MAY START PARTY OF OWN

Claim They Hold Balance of Power

—Delegation Headed Towards

Washington.

(By United Press.)

Salt Lake City, May 11—Women voters of the country here today considered whether the pen, after all, really is mightier than the sword.

Unless the pen shows results shortly they say they are going to declare war with the political sword on the Democratic party. This was the decision contemplated by the conference. They threaten to organize a women's party, which they claim will hold the balance of power in the November election, and fight the democrats—unless the democrats "come across."

Cruelty to that child of the suffragist, the national amendment enfranchising women, is the charge laid by the delegates today against Democrats who have held the amendment in committee and threaten to keep it there.

If the child is not dressed in a new cloak of approval by committeemen and brought before the House for consideration—favorable consideration—this summer, the women say there will be new hands in the Congressional pork barrel after November.

A delegation of women, following the two day meeting here will be sent on to Washington to deliver this message. They will be on a suffrage special with the 23 envoys who just wound up a tour of suffrage states, whipping the women into line.

They will be met at Washington by crowds of supporters. The biggest demonstration yet at the Capitol awaits them, according to press agents.

Both parties have promised strong suffrage planks in their platforms. This doesn't satisfy the delegates. They want real action.

## VEGETABLE CALOMEL

Vegetable calomel, extract of the root of the old-fashioned may-apple plant, does not salivate. As a liver stimulant, it's great. It's a perfect substitute for ordinary calomel (mercury); in fact, it's better, because its action is gentle instead of severe and irritating—and it leaves no mean, disagreeable after-effects. Physicians recognize this and prescribe may-apple root (podophyllin, they call it) daily.

Combined with four other standard, all-vegetable remedies, may-apple root may now be had at most any druggist's in convenient, sugar-coated tablet form by asking for Santal Laxatives. If you forget the name, ask for the box that has the picture of the soldier on it.

These tablets are small, easy to take and are really wonderful little performers.

They quickly clean out the poisons that are causing you headache, constipation, sour stomach, biliousness, dizzy spells, bad breath and coated tongue.

They are mild. They never gripe. And they are a bowel tonic as well as a cleanser and liver regulator. A 10c box should last you several weeks. A Physician's trial package (4 doses) will be mailed you free if you write mentioning this advertisement. The Santal Remedies Co., 802 Madison Ave., Covington, Ky.

The monthly meeting of the Loyal Women's Bible class of the Christian church was held last evening in the church parlors, the principal part of the meeting being given over to the business session which was conducted by Mrs. Laura Keisling. Several important business matters were discussed by the fifteen members who were present.

### BIRTHDAY DINNER

The fourth birthday of Robert McIntyre, son of Mr. and Mrs. Robert McIntyre of North Perkins street, was celebrated today at noon when his mother gave a birthday dinner for him. A birthday cake bearing the right number of candles was among the attractive decorations. Mr. and Mrs. Sam Morgan were guests.

### GRAND CLUB

Mrs. Will M. Sparks was hostess to the members of the Grand Club this afternoon at her home in North Main street. The afternoon was spent in playing Bridge, three tables of players participating. Delicious refreshments were served at the conclusion of the card games. Among the players were Mrs. Maud Shields and Mrs. Sarah Henley of Chicago.

### SURPRISE PARTY

Tuesday being the wedding anniversary of Mr. and Mrs. John Stevens of Falmouth, about sixty of their friends arranged a surprise in their honor, which was indeed a surprise. The affair was given in the form of a pitch-in supper, each of the guests bringing their share for the bountiful dinner, which was served in buffet style. Music aided in the pleasure of the informal good time following the repast.

### HAPPY-GO-LUCKY

The guests of Mrs. Austin Frazee had a delightful afternoon together yesterday when she entertained the members of the Happy-Go-Lucky Club at her home in East Seventh street. It was an especially pleasant meeting inasmuch as it was the first one of the season for the club members. The meetings, however, are to be resumed for the summer. At the end of a congenial afternoon together, the ladies were invited into the dining room where a tempting two-course luncheon was served.

The Misses Beatrice MacNamara Sylvia Lakin, and Henrietta Schantz were among the guests of the K. of C. dance in Connersville last evening.

### GUESTS FROM EVERTON

The members of the G. G. G. Club of Everton who were the guests of the Sorority Club of Glenwood Tuesday at the home of Mrs. J. E. Walther, when a delightful open meeting was held, were Mrs. Alma Lake, Mrs. Cliff Lake, Mrs. Clyde Piper, Mrs. Virgil Griffiths, Mrs. Arthur Clark, Mrs. Claire Lake, Mrs. Edward Stewart, Mrs. F. L. Mitchell, Mrs. William Moore, Mrs. Paul Warster, Mrs. Edna Dawson, and Miss Edith Kellum. Honor guests were Mrs. L. K. Tingley of Connersville, chairman of the Fayette county clubs, and Miss Miriam Frye of Falmouth.

### MEN GIVE DINNER

The men of the Social Club proved themselves to be royal hosts last evening when they entertained the members of the Social Club with a dinner dance in the club rooms. There were about fifty guests who were seated at the small tables to partake of the delicious two-course dinner served by several of the hosts attired in full dress. The usual informal dancing series followed. The out-of-town guests included Miss Hester Porter, of Shelbyville, Miss Helene Whitesides of Franklin, Mrs. Maud Shields, Mrs. Sarah Henley, Miss Gladys Henley, of Chicago, William Henley of Indianapolis, Noble Richie of Franklin, and Parrish Fuller of Shelbyville.

### ALL DAY MEETING

An all day meeting and a very pleasant one, of the Lookout Society of the New Salem church was held yesterday at the home of Mrs. Jesse Winkler in North Morgan street. The ladies brought their dinners and enjoyed a sumptuous meal at high noon. The regular meeting of the society occupied the afternoon hours when the following program was carried out.

Song—Mrs. John Mock.  
Prayer—Mrs. John Mock.  
Scripture reading—Mrs. Hargott.  
Business session.  
Duet—Mrs. Herbert Holden and Mrs. Sadie Hildreth.  
Reading—Miss Muri Stacey.  
In the two clever contests which were held, Mrs. Gerrin proved to be the winner. Following the program, refreshments of ice-cream, cake and coffee were served by the hostess. The June meeting will be held with Mrs. Hargott at her home in New Salem.

### MISSIONARY MEETING

The Missionary society of the Methodist church of Glenwood met yesterday afternoon with Mrs. Jessie Holmes who, was assisted by Mrs. E. F. Wilson and Mrs. Sarah Holmes. Blooming flowers were used to brighten the rooms where the ladies met for the profitable afternoon together. After the regular devotions and short song service a quartette was sung by Mrs. Elsie Ruff, Mrs. Ethel Fielding, Miss Sadie Scholl, and Mrs. Charles Hollins. Several appropriate readings were given and talks were given and papers read by Mrs. Erma Brooks, Mrs. Ethel Fielding, Miss Effie Matvey, Mrs. Mattie Dent, Mrs. Sarah Holmes and Mrs. Charles Hollins. Thirty-five were in attendance, six of whom were invited guests. Delicious refreshments were served by the hostesses at the conclusion of the excellent program. The June meeting of the society will be held with Mrs. Batie Fielding.

## THE MAUZY CO.

The Store That Sells the Wooltex

## Is this skirt Wooltex-shrunk?

That's the question to ask when you buy your Summer Wash Skirts

If three-fourths of the possible shrinkage has been taken out of the materials and the belting, it is a safe skirt to buy. That's what the special Wooltex shrinking process does.

If the skirt is not pre-shrunk, you are sure to have to make it over after it is laundered. You know from experience what that means. These smart summer skirts are Wooltex shrunk. Select one that fits comfortably. You need not worry about future shrinkage.

Wooltex designing skill, Wooltex shrinking and Wooltex tailoring. Re-inforced waist bands that will keep their trim, shapely appearance. And prices most reasonable. Come in and see them today.

A beautiful variety of styles and materials at \$2.50 to \$7.50  
Other Wash Skirts at \$1.00 to \$2.00

Don't overlook our great disposal of SILK AND CLOTH SUITS at wonderful savings. Make \$5.00 to \$12.50 for yourself by choosing now.

### THE CHARLEVOIX

In plain or striped gabardine or honeycomb cloth; panel back and front; three tiered yoke over each hip, connecting front and back panels. Wooltex shrunk materials, even to the belting.

## MEANEST MAN IN ENGLAND IS DEAD

Lord Clanricarde's Death is of Particular Interest to the Irish in America

WAS OF OLD LANDLORD TYPE

Always Maintained The Idea That Human Rights Were for the Rich—Inherited the Land

(By United Press.)  
London May 11.—Lord Clanricarde is dead. Lord Clanricarde, the man the British people called "the Meanest Man in England."

What the London papers did to his memory, even before he was buried, was sufficient.

"The Meanest Man in England!" For half a century he held that distinction.

Today, in glaring columns among the war news, the London papers told the story of Lord Clanricarde's life. It is a story particularly for Irish folks in America.

It was men like Clanricarde who drove the Irish to America. He was the meanest Irish landlord.

Clanricarde's grandfather was Canning, British prime minister in 1827. His uncle was the first viceroy of India.

When he was young Clanricarde got the idea that God made a few fine and cultured people to be human beings and that everybody who wasn't rich, fine and cultured wasn't human. Human rights as he knew them, were the rights of the rich.

Canadian soldiers in Hyde park, not knowing their London, have looked with wonder and pity on a little weakened old man, in ragged, fifty-year-old clothes who used to sit on the public seats—the private seats cost two cents—a hard, cold look in his eyes.

This was Lord Clanricarde, owner of twenty square miles of land in Ireland, with Irish peasants paying him \$150,000 a year. This was Lord Clanricarde, once the swiftest top in London, victim of the idea that God made him to be a specially fine human being, with special rights.

In 1874 he fell heir to the castle at Portunna, one of the finest houses in Ireland, and the estate of 60,000 acres. He thought he had fallen heir to the lives and souls of his tenants too.

He paid one visit to the estate in 1874. He never returned. His tenants had demanded certain improvements and rights.

He sent agents. More than one of them was killed. There isn't an acre of the land that hasn't its tragedy. Homes were broken up by poverty because of Lord Clanricarde's high rents. He demanded a large share of everything the tenants grew; he would not spend money for improving their pitiful homes. Blood was shed time and again while he was in London, pottering around with antiques.

Irish landlords changed and became human; Lord Clanricarde, never.

The government refused his police aid in evicting tenants; he hired agents to do the evicting.

Decent people began to leave him alone. Of all the money he took in from his tenants he is never known to have spent a cent for improvements. He stood pat on the idea that human rights were the rights of the rich.

The splendid castle fell into ruins. Other Irish landlords began to sell their land to the government, to be distributed among the Irish peasants. Clanricarde would not sell.

A special bill was introduced into the house of lords, expropriating his estates. Though he was a lord and was entitled to sit in the house of lords and help in the government of his country, Lord Clanricarde never appeared until the chances of losing his land arose.

One day a shabby, bent, hard-faced little old man appeared at the door of the house of lords, but when he attempted to enter the policeman stopped him. It was Lord Clanricarde.

He protested in a piping voice. He talked of property rights. Property

rights. Property had its duties as well as its rights, said someone. Then he walked out of the place.

He became a solitary miser. He spent money for antiques only. His cheap rooms were filled with rare articles, littered about, carelessly. No fire burned in his grate.

Antiquity dealers and the lawyers he hired to try to prevent the government from taking his land were the only human beings he knew.

Last year, the government won. Today the Lord Clanricarde estate is being divided for sale to small holders.

Lord Clanricarde was paid a million and a half dollars by the government and the day after his death, while he rested in his rich mahogany casket, he got a million and a half dollars worth of the bitterest advertisement that was ever given a human being.

An exchange will be given by the Willing Worker class of the First Baptist church on Saturday morning, May 13, in the primary class room of the church. 5111

Health Insurance is Urged by Dr. I. M. Rubinow Before Charities Conference.

**PRIVATE CHARITY SCORES**

Boston Woman Urges Closest State Regulation of all Charitable Agencies.

Indianapolis, Ind., May 11.—Forty per cent. of illness among wage workers remains without medical aid, Dr. I. M. Rubinow, of the American Medical Association declared today in urging before the National Charities and Corrections Conference that compulsory health insurance he adopted in the United States. He estimated that 10,000,000 cases of illness a year among the nation's workmen of which two and a half million lasted four weeks or more, caused serious economic loss.

"From the point of view of the preservation of the family as a social unit," Dr. Rubinow asserted "the inclusion of the dependent members of the family into such a system of organized medical aid is of very great importance. Social health insurance will only be worthy of the name if the benefit of organized medical aid will be conferred not only upon the wage worker, but also his wife and children who are given in greater need of it than he."

"Private charity is a public trust," declared Miss Amy F. Action, chief inspector of Boston's Incorporated Charities. She urged closest state regulation of all charitable agencies. Along the same line was an address by Charles M. Hubbard, secretary of the St. Louis Provident Association, who pleaded for standardization of all social agencies.

Frank J. Bruno, secretary of the Minneapolis Associated Charities asserted valuable records of charitable agencies were being overlooked in pressure of administrative work, and he urged more care in their preservation and compilation. Dr. Carol Aronovici, director of the Philadelphia Bureau for Social Research, seconded the plea. "Such records," he said, "hold for use vast stores of information, which, when analyzed, should point the way toward a more constructive point of view of our social tasks and clearer understanding of the larger problems which are clamoring for solution."

Mrs. Elizabeth D. Tilton chairman of the Poster Campaign Against Alcohol, in Boston had an interesting array of posters used in her "fight against booze." The thing that makes men stop drinking, she held, was education and forms of prohibition which makes liquor harder to get. Drink, the speaker said, was responsible for 25 per cent of our poverty, 31 to 50 per cent of crime, 42 per cent of broken homes, 45 per cent of deserted and neglected children and "untold loads of immorality, degeneracy and disease." Dr. Haven Emerson, Commissioner of Health, New York, followed Mrs. Tilton's plea with an explanation of the use of the police power to curb the Demon Rum.

"If a flagon of alcohol were offered to a student of pharmacology to test as a curiosity," he declared, "and he applied the standard methods of physiological experiment to it, he could not but come to the conclusion that he was dealing with a more dangerous chemical than any now available in the whole range of materia medica, not second to opium or its derivatives as a destroyer of tissue."

**Amusements**

Four reels, including a three act drama and a one act comedy constitute the program at the Princess tonight. The drama is entitled "The Master Smiles." Emmy Wehlen and Howard Estabrook are featured. The story is modern and very interesting. The comedy is entitled "A Leap Year Wooing." Rose Melville, the original Sis Hopkins is featured in this comedy. Tomorrow, matinee and night the feature picture "Souls in Bondage," with Nance O'Neil will be the attraction. It is a sex drama and deals with incidents in the life of two sisters, and the tremendous sacrifice made by one for the other. Abounding in thrilling suspense, and human appeal, this gripping feature will strike home to the hearts of all. Prominent in the cast supporting Miss O'Neil are Ida Stanhope and William Corbett.

"The House of Unhappiness" is the title of episode No. 2 of "The Iron Claw," which will be shown at the Gem tonight Marjory (Pearl White) has returned to her father, Golden. In order to force Marjory to return to him, Legar, with the aid to many of Golden's houses. Marjory, seeing her father's misfortune, of an electrical instrument sets fire voluntarily returns to Legar. But Legar is again disappointed for the "Laughing Mask" appears again. The other picture on the program is a comedy "Lonesome Luke Pikes the Pippins." It is said to be some comedy. Tomorrow King Baggot will be seen in the two act drama, "The Soul of Man."

The Mystic will show the two act drama "The Power of Publicity," for the first picture tonight. John Lorenz and Marie Bussey are featured. It is said to be a thrilling drama, telling a story true to life. The second picture is a one act drama "The Sheriff's Trap. The last is a drama entitled "The Banker and the Girl." Tomorrow the three act drama "Wasted Life" will be shown.

**FUNERAL TOMORROW**

**MINERS RECEIVE BONUS**

\$125,000 is Disputed Among 4,000 For Work in April

(By United Press.)

Wallace, Idaho, May 11.—Nearly \$125,000 in gold was received here today to be distributed among 4000 miners in the Couer d'Alene district as a bonus for their work during the month of April. The bonus for each miner amounts to about \$1 a day. "The bonus system, adopted by the

mine operators February 1, is governed by the prices of the metals produced—mostly gold, copper and silver. For March the miners received 75 cents a day bonus.

Merchants throughout the mining district report that business has practically doubled since the inauguration of the bonus system.
